Eddie Cappiello is trapped living out his life in the Out With A Bang Senior Living Community. When his ex-wife Betty - recently widowed from her second husband - arrives at his door one day and asks him to help her get revenge on a neighbor who has made her life intolerable, Eddie, longing to reawaken the love he and she once had, makes the fateful decision to help. He enlists his good friend and next-door neighbor, a former Israeli accountant and professional mourner, Daniel, and the three of them devise a dangerous and blatantly illegal plot to deal with her recalcitrant neighbor.

Written by playwright and actor Tony Pasqualini (*Fostered, Demolition*), and directed by acclaimed Emmy Award-nominated director Andy Weyman (*Fostered, A Permanent Image*), Out With A Bang promises to be a very funny, heartfelt, and entertaining night at the theater.
